NOTE.—Please also send to the Society, for its Album, a photographic likeness of yourself, with your autograph beneath it, if you have not already done so; and donations of anything you may have written will be particularly acceptable, as well as contributions germane to its Library and Cabinets.

I have a few interesting relics that the Doctor brought home with him on his return from Italy of some of the old catacombs I should hesitate to commit them to the care of the express man for fear of their getting broken nevertheless I should enjoy seeing your society have them if I could get them shipped in safety They are very brittle or tender on account of their age Yours Respectfully Mrs. Emmanuel J. Attinelli

HISTORIOGRAPHER,
American Numismatic and Archæological Society,
